ANGEL TREE - We are planning to go the traditional route with Angel Tree again this year. Volunteers will be needed for phone calls, letter mailing, filling out gift tags, and delivery of the gifts this year. Please contact Holly if you would like to volunteer year.

RAISE THE ROOF FUND - The flat roof of the church has been leaking and the gutters and downspouts aren’t working to keep the water away from the foundation causing damage to the upstairs and basement. The Facilities Maintenance Team requested, and the Administrative Board approved replacing the roofing and re-working the gutters and downspouts before winter. The work has begun, and the cost will be about \$34,000.00. The Administrative Board voted to create a liability account and will be moving \$35,000 into that account. Our goal is to raise an additional \$5,000 to help cover digging the downspout underneath the parking lot. We want to thank Lakeview Chapel for the generous giving that has been done in the past and would pray that you consider helping us get to our next goal by raising an additional \$5,000 to cover projects that are overdue and if left unattended could become more costly and could possibly lead to hazardous conditions for our church family and visitors. You can mark your special offering “Raise the Roof” and it will be directed toward this project. Thank you for your faithful support to maintain the House of the Lord.
