

Thanksgiving

Once again our glad thanksgivings
Rise before our Father's throne,
As we try to count the blessings
Of the years so swiftly flown;
As we trace the wondrous workings
Of His wisdom, pow'r and love,
And unite our "Holy! Holy!"
With the seraphim above.

As we gather 'round our firesides
On this new Thanksgiving Day
Time would fail to count the blessings
That have followed all the way;
Grace sufficient, help and healing.
Prayer, oft answered at our call,
And the best of all our blessings,
Christ Himself, our All in All!

While we love to count the blessings
Grateful for the year that's gone,
Faith would sweep a wider vision,
Hope would gaze yet farther on;
For the signals, all around us,
Seem with one accord to say:
Christ is coming soon to bring us
Earth's last, best Thanksgiving Day!
