

Look to the Snake

Numbers 21:4-9; John 3:14-15

Looking to the bronze snake is _____ the reason for their suffering
– snakes sent by God because of their _____

Jesus, like the snake in the wilderness, is the way God has ordained healing
both _____ and _____

God has provided healing for _____ disease on every level.

IT'S BIGGER THAN ONE SERMON (Think about it a bit more):

*The application of God's Word may be decided on Sunday morning but must be enacted Monday morning!
Ask the Holy Spirit to guide you to a change of mind and action.*

People ask all the time, why isn't every Christian healed when they ask for it? There may be many reasons, the one we saw today was unbelief. **But ultimately, we need to realize that God is not our healing vending machine.** We can ALWAYS ask, and He wants us to. But God heals when it fits with His will for you. Paul talked about his own issues in 2 Cor. 12. What we need to ask is 'what does God want?' Then ask for those things!

Don't dismiss healing as not real, or not for me, or for any other reason. Jesus said when we seek Him, we'll find Him. So why not seek Jesus most of all and ask Him what HE wants to do in your life? But don't rule out healing because, you know, Jesus is our Healer!
