

## **Announcing The Lakeview Family Prayer Force!**

Earlier this year, 15 Lakeview couples participated in the Couple Check-Up we offered through Prepare/Enrich. They completed a survey and then received reports highlighting their strengths and growth areas along with tips to begin conversations to address each area with the goal of strengthening their relationship.

Something that LVC has been working on is a way to intentionally pray for one another. The Bible assures us that prayers are lifted up to God's throne. LVC is happy to announce that there is now a group of "seasoned saints" who have been led to take on this ministry. The **Family Prayer Force** will meet weekly and intentionally pray for the couples of our church family. They plan to pray through the list of families, regularly asking God to provide for and protect them from Satan's attacks.

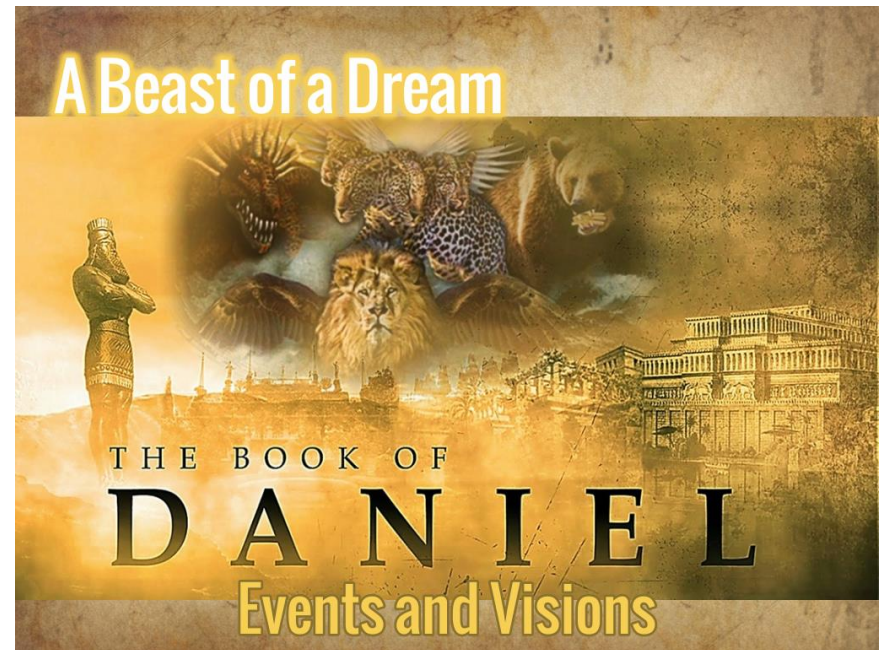

The **Family Prayer Force** will contact you letting you know that they are praying for you and to ask for specific needs. Whether it's relationship issues, parenting woes, financial planning, or any need, you can contact Doug & Maybell via phone or email and the **Family Prayer Force** will make those specific requests known to our Heavenly Father. They will maintain strict confidentiality.

In Ephesians 5, we're reminded that the family, especially the husband and wife, are to represent the relationship Christ has with His Church. None of us can expect to accomplish such a high and noble calling on our own. We pray, seeking God's guidance, provision, and love to grow and to be more like Him.

Following Lakeview's Couple Check-Up, we've been encouraging relationship growth by providing Marriage Relationship Tips in the bulletin every Sunday. We plan to continue and would appreciate any input you have.

Please email Pastor Dave with any ideas for topics. Thank you!
