

## Ram vs. Goat

---

### Daniel 8

*Because God is in control, there is a specific and set time for deliverance to come*

God has not \_\_\_\_\_ you, nor has He \_\_\_\_\_ you

*Because that is true there are three things that assurance allows you to do*

\_\_\_\_\_ Him

\_\_\_\_\_ for Him

Remain \_\_\_\_\_ to Him

*Deliverance WILL come from God for the wounds and hardships of your spiritual struggle*

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

As a Jesus-follower, no matter the hardship or trial you are facing, remember that you are neither forgotten nor forsaken by God. There will be a specific time of deliverance to come from God.

What would it look like for you to trust God in your current situation? How would waiting on Him affect your decision making? It may be tempting to just give up but ask God to show you in His Word the benefit of remaining faithful to Him.
