

## The Final Countdown

### Daniel 10-12

There is a \_\_\_\_\_ war behind human \_\_\_\_\_

*We know that God knows so we can rest in Him.*

Judgement is \_\_\_\_\_ for the rebellious but new life is \_\_\_\_\_  
for God's people.

*Satan's objective is to steal your joy, kill your faith in Jesus and destroy your witness by flipping your allegiance to him.*

"God in control" doesn't preclude your \_\_\_\_\_ to follow  
Jesus.

*Despite how things may appear, God is in control and He will certainly win in the end.*

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Prayerfully read Ephesians 6:10-18 and "be strengthened by the Lord and by His vast strength." Paul reminds us here that there is a very real cosmic battle between God and Satan over your allegiance. How can the armor described help you remain faithful to Jesus?

As Jesus-followers, there are no spectators in this conflict. How does knowing about the resurrection options in Dan.12:2 motivate you?
