It is our obligation to bear the weakness of others. Who can you help?

KNEES AND FEET (Prayer and Action): : Ask the Holy Spirit to guide you to a change of mind and
action.

How does Jesus' victory over the world and death affect your view of YOUR world? Of YOUR death?

You don't have to be perfect to encourage or mentor someone else. Just walk with them through the hardships. Pass on the lessons you've learned/are learning. Would the Word speak of it as an obligation if you were incapable of doing it? Is that how God would treat you?
