KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

If you feel like an underdog, disadvantaged, an outsider, unloved and unwanted, Jesus is looking for you, just like He was looking for Zacchaeus. Jesus sees you, not for what you are, but for who you were meant to be.

How does that truth affect your view of yourself? How does that truth influence your view of Jesus?

Jesus came to seek and save the lost. As a Jesus-follower, you are tasked to continue that mission today. How does Zacchaeus' story affect your view of people without Jesus in the world? Where can you begin to engage and invite "lost ones" to THE ONE who found you?
