

## The Son of God

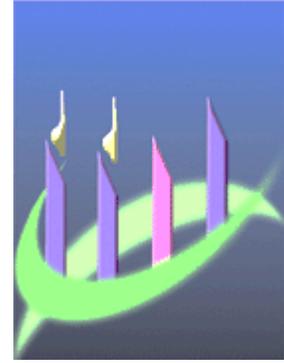

---

### Matthew 1:23

That Jesus is the Son of God is crucial in order for Him to be the perfect sacrifice for our sins.

Another value in our lives that Jesus is the Son of God is that He is our  
\_\_\_\_\_ with the \_\_\_\_\_

*“Live by faith in the Son of God”* means I believe He will lead me to a bright future, no matter what the present looks like.
