

Getting Ready for...The End

Matthew 24:36-51

There are two things that Jesus wants you to know that can help you get ready for the end

First, you don't know _____ Jesus will _____

Second, _____ and _____ is what you want to be

Alert literally means to stay _____, be vigilant and prepared

Faithful and wise is thinking about what Jesus wants and being intentional to rein in your natural desires and do what He wants

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Get Ready – have you asked Jesus to forgive your sin? Are you committed to following Him each day? That is the first preparation we all need. It is as uncomplicated as asking forgiveness with the intent to obey. Jesus does the work of transformation, bringing life where you were dead in sin; giving you a new direction and new purpose asking only that you follow. If you've never made that choice, there's no better time than right now. Take the first step in Getting Ready.

If you have made that first preparation, ask God to show you ways you can continue to get ready/be ready for His return.
