

Ready TO the End

Matthew 25:1-13

You don't know when Jesus will return so you not only must _____
ready, you also need to _____ ready

*The "wise ones" were identified by their lamps as part of the party and went
WITH him*

For there to be oil in the lamp, olives must be _____

*If we view the sin that hinders our relationship with Jesus as "olives", when
we confess/take them to Jesus He crushes them, making oil for our lamps
to shine bright*

A burning lamp is not about _____ admittance, it's the
_____ you're in relationship with Jesus

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

As a Jesus-follower, are you complacent in your relationship with Jesus, satisfied with the minimum? Are you listening for Jesus' Spirit to guide you deeper into your relationship with Him? Ask Jesus to reveal any stagnation in your life with Him. Take the "olives" of your sin to Him and He will crush them into oil for your lamp!
