

## Faithful to the End

---

Matthew 25:14-30

It's the \_\_\_\_\_ not perfection that matters most

*The third servant was motivated by fear. While he didn't lose anything, he didn't do what His Master would have done.*

Know your \_\_\_\_\_ – know what He \_\_\_\_\_ and understand  
how He \_\_\_\_\_

A Jesus-follower is known by his \_\_\_\_\_

*Know your Master and be faithful to pursue His Way*

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Self-evaluation is good for us. Just be sure you are evaluating the right thing. Instead of evaluating perfection/performance, you should ask the question, "am I faithfully pursuing/following Jesus and His Way?"

God gave us His Word, and specifically THE WORD, Jesus, to show us who He is and how He acts. Allow His life IN YOU (John 14:20) to guide your choices each day.
