

## God's House

---

### Psalm 84:1-4

*The Sons of Korah serve to remind us that:*

- 1) Going against God has \_\_\_\_\_
- 2) Family \_\_\_\_\_ doesn't necessarily determine your  
\_\_\_\_\_
- 3) God can \_\_\_\_\_ anything and anyone

*God's House is an image speaking of the Presence of God*

Could it be we're not \_\_\_\_\_ for Him?

Could it be we're not \_\_\_\_\_ to Him?

Could it be we're not giving ourselves to \_\_\_\_\_ Him?

*He is present, commit yourself to look for Him, listen to Him and follow Him*

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

How would you rate your life as far as living in the presence of God? The truth is that this has more to do with our receptivity than with God's proximity. Take some time to pray, asking God to show you what is blocking the way; what needs to change in order for you to know the presence of God like the Sons of Korah did.
