The road is hard, but His strength is greater.

Jesus-followers find their strength _____ God not just _____ Him

Walk through life with God who is your strength

God's pilgrims journey in God's _____ every step of the way

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

How would you rate your heart regarding your pilgrimage with God? Are there ways you could deepen your dependence on His strength and your commitment to His provision?

This is a journey over the course of your life, and like any relationship, it grows with time. Take note of progress in your commitment to the pilgrimage and rejoice in the growth you've seen. How does that affect your happiness with the pilgrimage?
