

*Lakeview Chapel is hosting  
Folk Mountain Gospel*

*Don & Donna Mohl*

**In Concert – October 16<sup>th</sup> @ 6:00 pm**

Don and Donna Mohl have been traveling around the country sharing the love of Jesus through song since 1988. Their music is a blended folk mountain style and includes hymns of the faith, gospel songs, and some they have written themselves.

All of it speaks of the grace of Jesus our Savior, the love of God our Father, and the family values of our extended family in Christ. You'll hear traditional and Biblical instruments like the Bowed Psaltery, Hammered Dulcimer, Mountain Dulcimer, Mandolin, Zither, Guitar and Harmonica.

For a sample of their music or more information about their ministry visit [www.folkmountaingospel.com](http://www.folkmountaingospel.com)

We will receive a love offering during the concert and there will be CDs available for purchase as well as some handmade instruments!

Invite a friend and come for a great night of worship and music with the Family of God!
