

The STUFFing of Thanksgiving

Matthew 6:9-13, 19-34

The Lord's Prayer begins and ends with a focus on God which reminds us to...

Focus more on _____ than the _____ in our lives

Your affection and therefore your focus will be on your TREASURE, so, it matters what you treasure

What we _____ on fills our _____

Where your treasure is, there your heart will be also.

Keep your focus on the _____, not the _____

Return the focus to God this Thanksgiving. Pray to ask Him to keep His promises and live like you believe He will

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Make a list of the people and things you are thankful for this week. Then take a moment to consider how God is responsible for each one.

Often our focus is off simply because we don't examine it. Take some time to ponder the question, what am I focused on in my life?
