

## 1 Peter – Life in a Fallen World

---

### 1 Peter 2:11-25

*How are you and I supposed to live as Jesus followers in this crazy, fallen world?*

Their \_\_\_\_\_ condition – “strangers and exiles”

An \_\_\_\_\_ – “abstain from sinful desires”

The \_\_\_\_\_ – “glorify God.”

\_\_\_\_\_ God is the main thing

*Faithfully live the Christ life in the midst of the culture’s chaos to bring glory to Jesus while trusting God for the final results*

*We obey Jesus, no matter the consequences, because of who He is*

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

What would it look like for you to choose to live God’s way in the midst of culture’s chaos? Are there other priorities that would need to change?

Is there a point in your life where you “draw the line”? In other words, I’ll follow Jesus and His Way until it means I must give up \_\_\_\_\_ or I must endure \_\_\_\_\_. Are there limits to your obedience?
