

## 1 Peter – Who Is In Control?

---

### 1 Peter 3:13-22

*WHAT are you supposed to know?*

God is in \_\_\_\_\_

*WHY would you believe that's true?*

– You are \_\_\_\_\_ even when you suffer – Jesus' example and position

God has the \_\_\_\_\_ to keep His Word

*HOW should God's control impact your life?*

– "Regard" is a mindset. You \_\_\_\_\_

– *Maintain your focus on Jesus, and be ready to point people to Him when they ask about the hope they see in you*

How does your \_\_\_\_\_ answer the question, who is in control?

---

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

"As long as you are fighting God for control, you will be the loser. Let it all go." Ask the Lord today, am I fighting you for control? How?

Trusting God to be in control may not change the hard things you face. But how could it change your attitude knowing He is with you through it all?
