KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Would anyone recognize you by the attitude and actions Peter described in this chapter? That isn't meant to demean you but to help you identify where certain attitudes and actions need to be adjusted.

Do you share Peter's urgency regarding showing and telling the Good News of Jesus to those who don't yet know Him? Who is the Lord calling you to focus on in the days ahead?
