

## Gotta Love Those Kids!

---

### 2 John

*Our physical families are not only a metaphor for the Church but a key building block of the Church*

Commit to \_\_\_\_\_ and \_\_\_\_\_ your relationship with Jesus  
and follow Him faithfully

*We love God only because He first loved us*

As a Church Family, we have a \_\_\_\_\_ for the \_\_\_\_\_  
development of our children and teens

*Walk according to His command which is to walk in love for God and  
people*

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Spend some time today reflecting on your Mom. Whether she's sitting in the next room, across the country, or separated from you by death, think about the example she set for you by following Jesus and spreading His love.

No matter how well or poorly you recall that experience, how does it compare to God's love expressed for you in His Truth - Jesus? Praise God for His perfect Truth and Love. As you "Go with God" spread some of that around to people you encounter each day.
