

Turn Over a New Leaf

Jonah 3

Chapter 2 - _____ - decide to agree with God

Chapter 3 - _____ - get up and go

God intends to _____ your life

God's unlimited love and compassion are unchanging, but it's YOUR CHOICE to respond to Him in repentance & obedience

This new leaf is all about the _____

You are responsible to obey; God is responsible for the outcome

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

If you need to repent in your life, don't put it off. Kneel before God in prayer and turn around. Agree with God in your life in every way. He will, in His unlimited love and compassion, forgive and restore you.

If you need to obey the Lord, don't put that off either. Kneel before God in prayer, yes, ask Him what He wants you to do, but then get up and go! Trust in His unlimited love and compassion to guide you and provide for you each step of the way.
