

## The Church – What Do We Do?

---

Matthew 24:24 & 28:18-20

A disciple is \_\_\_\_\_ to Jesus and \_\_\_\_\_ to allowing Him to live in and through them in every aspect of their life

*You can't make disciples unless you are a disciple*

The Great Commission is more than an \_\_\_\_\_ it's an \_\_\_\_\_

Our Mission – to bring people to Jesus as they \_\_\_\_\_ Him in us and help them become Christ-filled \_\_\_\_\_ just as we are

*"Imitate me as I also imitate Christ."*

– Paul

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Jesus defined clearly our mission as His Church – As you go, make disciples. We're reminded that you can't make disciples unless you are a disciple of Jesus. How would you describe where you are in your journey as a disciple of Christ?

Is there an area of your life that requires some intentionality to either submit to Jesus or commit to allowing Him to live His life in and through you?
