KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

We've heard a lot about this already, Love God and Love People. It's been God's plan from the start and you have heard it often of late. But Ephesus had heard that, too. No Jesus follower is immune to drift. What might it look like for you to "turn back to Jesus and do the works you did at first?"

Jesus plans for His Church to live in victory, no matter what past failures haunt us. He has made the way for us to turn back and love Him and others as He does. Do we have ears to hear and understand what the Spirit is saying to Lakeview Chapel?
