Revelation 21

"Look, I am making everything new." -- God

The description of Heaven is to stir _____ to _____

"It is Finished" – Jesus discharged the debt of sin on the cross and God announced the marriage of Jesus and His Bride, the Church

Heaven is Heaven because we want to be _____

Heaven is a wonderful place! I wanna go there! I also want to live faithful to Christ in me today!

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Set aside some time to meditate on this thought – "What will Heaven be like?" See the images in your mind. Look up scriptures that describe Heaven. Sing songs you remember that talk about Heaven.

Follow that with prayer asking Jesus – "Would You please remind me often that my future home is also my present reality?"

Then, live each moment in the joy and power of this mystery, "Christ in you, the hope of glory." (Colossians 1:27)
