KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

“Joy is a deliberate, intentional choice to trust and obey Jesus to be who He says He is and to do what He says He will do.” Are there areas of your life where that trust is weak? Or where you struggle to obey? What would strengthen your trust and motivate your obedience?

How would anyone know you were joyful because of Jesus in your life? What thoughts might cause you to “camouflage” or “mute” your joy?
