KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Prayer is not a *HAVE TO* in our life, it is a *GET TO* – I get to spend time talking with God! I get to grow closer to Him as I open myself up more to Him. How does your prayer time compare with how Jesus describes it in the Lord's Prayer? In Paul's Prayer for the Church?

How might a change of focus affect your life each day? Would a consistent prayer time be worth that?
